DOULTON LOUNGE

Paying homage to the Doulton Bar, the previous extension of the Village Belle Hotel, the Doulton Lounge is a sophisticated late night cocktail lounge. Located upstairs in the original building, the Doulton Lounge focuses on serving an array of stirred and shaken classic mixes.

Regular patrons have come to love the cosy booths, a base you can keep returning to when you need respite between burning up the dance floor and flitting like a social butterfly.

The booths are located within both the blue and pink sides of the Doulton Lounge and come in different configuration to accommodate small and large get-togethers.

BALCONY BAR

The Balcony Bar has proven to be the pick of the spaces within the Village Belle.

Hosting many celebratory occasions, the Balcony Bar is a versatile, stylish and private function space popular with our guests and regular patrons. The Balcony Bar can be hired exclusively with and without the mezzanine depending on which day of the week.

THE GARDEN BAR

The Garden Bar has been especially designed to be functional all year round. A contemporary concrete and glass structure, the striking space includes custom-made, steel framed windows and operable glazed walls that lift upward to maximise space.

Even better, a retractable roof, as well as misters and fans, make it the perfect spot for soaking up the summer sun, while heaters mean Melbourne’s temperamental weather won’t stop the fun in the cooler months.

Sections of the Garden Bar can be booked for groups up to 30 guests.
