# Welcome to Village Belle Hotel

A St Kilda icon embedded in the tapestry of St Kilda since 1891, The Village Belle Hotel prides itself on bespoke events, quality food and outstanding customer service.

Boasting three beautiful function spaces, with private bars, the Belle is the ultimate function venue in St Kilda for your next event or party.

Our friendly and professional function team can help you create your perfect event, whether it's an intimate dinner, birthday celebration, Christening, business meeting, product launch, engagement party or wedding. We are happy to tailor a menu package and beverage list to suit your specific needs.

At The Village Belle, we will assist you to organise and execute your dream event every time.

A vibrant, sunlit outdoor bar scene. In the foreground, a man in a dark t-shirt and a hat stands with his back to the camera. To his right, a woman with long blonde hair is seen from the side. In the background, other patrons are visible, including a woman in a yellow top and another in a black top. A large, dark, multi-pointed starburst graphic is overlaid in the center of the image. The text "Stop planning." is written in a bold, white, serif font across the top of the starburst, and "Start Celebrating" is written in a white, cursive font across the bottom of the starburst. The overall atmosphere is bright and festive, with warm sunlight filtering through the scene.

# Doulton Room

Paying homage to the Doulton Bar, the previous extension of the Village Belle Hotel, the Doulton Lounge is a sophisticated late night cocktail lounge. Located upstairs in the original building, the Doulton Lounge focuses on serving an array of stirred and shaken classic mixes.

The booths come in different configurations to accommodate small and large get-togethers.

# Garden Bar

The Garden Bar has been especially designed to be functional all year round. A contemporary concrete and glass structure, the striking space includes custom-made, steel framed windows and operable glazed walls that lift upward to maximise space.

Even better, a retractable roof, as well as misters and fans, make it the perfect spot for soaking up the summer sun, while heaters mean Melbourne's temperamental weather won't stop the fun in the cooler months.
